CMB POWER CONSULTANT AND DEVELOPMENT CORP.

3/F, Phase 1, Northridge Plaza,
#12 Congressional Avenue,
Brgy. Bahay Toro, Quezon City, Philippines

Attention: Mr. Keith Duncan & Ms Gloria Reyes / Product Development Consultant

Dear Mr Keith & Ms. Gloria,

Please allow us to introduce to you *Pre-Engineered Steel Buildings (PESB)*, a product that offers you substantial [savings in Time & Money](#) for your construction project. PESB is widely used in the USA and many industrialized countries. It consists of a Complete Steel framed Building System, Pre-Designed to meet the unique requirement of each project.

Since its establishment in 1977, Zamil Steel has designed, manufactured and delivered more than 75,000 Buildings to destinations all over the world. An [ISO 9001: 2000 certified](#), Zamil Steel uses computer aided fabrication equipment and state of the art technology to assure customers of High Quality Steel delivered in the shortest possible time. The price is reasonable and [30% more cost effective](#) compared with other technologies.

We would like to register our interest in participation on your Projects.

We would very much appreciate it if we can meet personally so we can have the opportunity of more detailed presentation.

We are looking forward to building fruitful business relationship with you.

Very truly yours,
